Promote your perk of the week

Help your employees discover their benefits by highlighting a new perk every week. Download our weekly posters to get the word out.

Spread the word!

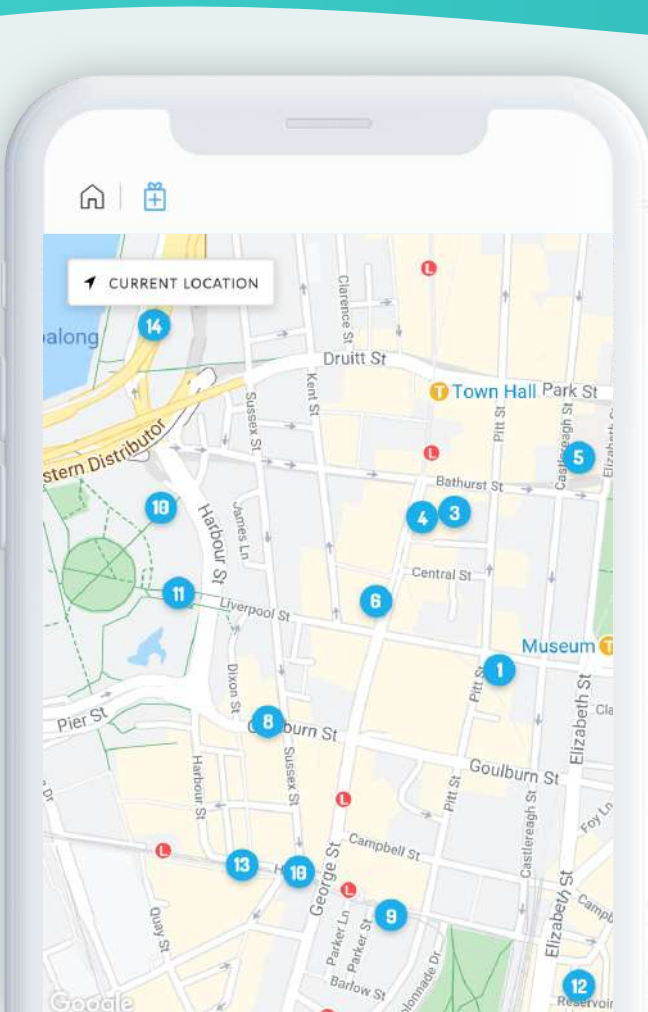

Check your inbox for our latest promotional content. We regularly create new posters and guides for you to share with your team. It's a great way to keep engagement high.

Follow our success checklist:

- ✔ Promote new perks internally
- ✔ Add your company benefits
- ✔ Create Perks champions
- ✔ Keep new starters in the loop

Name your champions!

Perks champions test drive the latest perks, watch the latest training videos and help other employees discover what's available. We recommend nominating a few managers to become go-to people for everything Perks related.

Coffee break match-ups

Here's a fun way to help your employees get to know each other: randomly match up people from different teams and encourage them to use the dining and takeaway perks together. Make new friends over lunch!

TRY THIS!

Try perks together!

Perks are better with friends, so encourage your employees to use theirs together. Try a team lunch, afternoon yoga session, or a trip to the cinema one evening. It's a great way to build a little culture and share the fun!
