COMPLIMENTARY GELATO EVERY MONTH

As a Perkbox member, you get a complimentary scoop of gelato every month from Messina! Messina has spent a long time working out how to make the best gelato they possibly can.

In every Messina store, you'll find a cabinet of 40 freshly churned gelato flavours, with 35 traditional flavours and 5 rotating weekly specials. They also make their own range of gelato cakes which can be picked up or ordered from any store.
