

PERK OF THE WEEK

FAST, FREE AND EFFICIENT LEARNING

Magpie is a search engine that matches the right learning to the right learner. Using a clever chat function, learners can get personalised recommendations simply by answering a few questions.

Magpie gives you videos, podcasts and articles centred around your role, sector and career goals. Featuring content from a wide array of sources including, Harvard Business Review, TED, BBC and Forbes, Magpie is able to give you the best possible results.

Have any questions? Our Customer Happiness team is here to help. Email help@perkbox.com.au
